### DETAILED ACTION

- 1 This action is responsive to the amendment filed on November 29, 2004.
- 2 The cancellation of claims 16-30 is acknowledged. Pending claims are 10-15.
- 3 Claims 10-15 are allowed.

### STATEMENT OF REASONS FOR ALLOWANCE

- 4 The following is an examiner's statement of reasons for allowance:

The closest prior art of record (US 4,859,459) teaches a process for shaping human hair comprising applying to the hair a composition comprising alcohols such as glycerine (1,2,3-trihydroxy propane) and benzyl alcohol and wherein the composition is in the form of an emulsion. However, the prior art of record (US' 459) does not teach or disclose a process for permanently deforming keratin fibers comprising applying to the keratin fibers in steps compositions in the form of two-phase or multi-phase systems and comprising at least one alcohol having 4 to 10 carbon atoms and having only limited miscibility with water and wherein the two phase or multiphase systems are capable of being converted by mechanical agitation into homogeneous systems for application to the fibers as claimed. Accordingly the claimed subject matter as a whole would not have been obvious to one having ordinary skill in the art of keratin fibers deforming formulation.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
